It is the policy of the Southwest Vermont Regional Technical School District (SVRTSD) that appropriate dress and grooming is necessary to assure a safe, caring and productive learning environment for all students. Dress that is distracting, interferes with instruction, of otherwise causes a disruption is prohibited. Also prohibited is dress that refers to or displays drugs, tobacco, alcohol, sexual innuendoes or anything else deemed offensive. Also prohibited is any dress that displays profane, obscene or derogatory language. SVRTSD recognizes that each of our sending schools have their own administrative policies and rules concerning dress codes. The Southwest Vermont Career Development Center (SVCDC) has its own administrative regulations and all students are expected to fully comply with these regulations regardless of the rules of their sending school. In addition, SVCDC has regulations specific to each technical training program which students will be advised of by their instructor.

	Date Drafted	Date Warned	Date Adopted
Southwest Vermont Regional Technical School District	9.19.19	10.7.19	11.4.19
