

Southwest Vermont Regional Technical School District

Anticipated Opening

Heavy Truck/Diesel Maintenance Instructor

The Southwest Vermont Regional Technical School District is seeking a part-time evening Heavy Truck/Diesel Maintenance Instructor for our Workforce and Adult Technical Education Division

Qualifications:

- At least 3 years of relevant work experience as a heavy truck/diesel mechanic
- High school diploma

Any one or combination of the following qualifications are desirable though not required:

- Associates Degree in Diesel Technology and/or Heavy Truck Maintenance
- ASE Certification in Medium/Heavy trucks
- Teaching experience

Primary Duties:

Overall responsibility for the design and delivery of instruction including but not limited to:

- Effectively teach the Heavy Truck/Diesel Maintenance course and serve as the program coordinator.
- Responsible for program effectiveness, including student learning outcomes, continuous review, assessment, and development.
- Work with the Adult Technical Education Coordinator to schedule classes, on recruitment efforts to draw adult students into the program, and coordinating program needs.
- Maintain community relations within the region to ensure the program is meeting workforce needs.
- Maintain and improve, through professional development, competence in discipline knowledge and instructional techniques.
- Ensure the program has all the tools and equipment necessary for effective instruction.

Schedule: Part Time- Evenings Compensation: \$40/hour
